**CRITERIOS DE CONFECCIÓN LIBRO DE RUTA**

Este Libro de Ruta ha sido confeccionado y repasado el mes de enero de 2025. Cualquier modificación relevante que se produzca en el itinerario entre la publicación de este Libro de Ruta y el día de la prueba, será notificado y entregado a los participantes mediante complemento.

En la edición de este Libro de Ruta, se ha puesto especial atención en facilitar su uso e interpretación, prescindiendo de toda la información que se ha considerado "superficial" o "poco relevante".

La nomenclatura oficial de las carreteras se encontrará anotada en la columna situada a la izquierda de la ventana "INFORMACIONES".

Sólo se hacen constar los cruces necesarios, junto con otras informaciones de interés (gasolineras, hitos kilométricos de verificación, etc).

Siguiendo este criterio, **cuando estemos circulando por una vía, se seguirá por la misma hasta que no se indique un cambio de vía y/o dirección.**

Este Libro de Ruta sido cuidadosamente elaborado por parte del organizador y agradeceremos sugerencias que permitan mejorarlo.

**PROCEDIMIENTO DE SEGURIDAD EN CASO DE ACCIDENTE**

Todos los Competidores deberán estar familiarizados con el artículo 53 del Reglamento Deportivo de Rallyes y del Anexo 3.

**53.3 ACCIDENTE EN TRAMO CRONOMETRADO**

53.3.1 En caso de un accidente donde se requiere atención médica urgente, es de aplicación lo siguiente:

- El interruptor SOS de la consola de emergencia debe activarse lo antes posible.
- Cuando sea posible, el cartel rojo **SOS** debe mostrarse de inmediato a los siguientes automóviles.

Tan pronto como sea posible el triángulo reflectante rojo debe colocarse en una posición visible en el mismo lado de la carretera en el que está situado el vehículo al menos 50 metros antes de la posición del automóvil, para advertir a los siguientes conductores, incluso si el vehículo está fuera de la calzada.

53.3.2 Cualquier equipo al que se le muestre el cartel rojo **SOS** desplegado, o que vea un vehículo que haya sufrido un accidente y no se le muestre el cartel verde **OK**, se detendrá de inmediato y sin excepción para prestar asistencia. Todos los siguientes autos también se detendrán. El segundo automóvil en la escena procederá a informar al siguiente punto de radio. Los vehículos subsiguientes deberán dejar la ruta despejada para los vehículos de emergencias. A todos los equipos detenidos por este procedimiento se les asignará un tiempo de acuerdo con el Art. 52.

53.3.3 En caso de accidente en el que no se requiere intervención médica inmediata o detención de un vehículo dentro de un tramo cronometrado, ya sea temporal o permanentemente, es de aplicación lo siguiente:

- El interruptor **OK** en la consola de emergencia debe ser activado e el intervalo de un minuto posterior a la detención.
- El cartel verde **OK** debe mostrarse de inmediato a los siguientes automóviles. Si la tripulación abandona el vehículo, se debe mostrar el cartel verde **OK** para que sea claramente visible para todos los demás competidores.

53.3.4 Si la pantalla de la consola de emergencia muestra el **SOS**, la señal de **OK** o de peligro, entonces esta señal es equivalente a la pantalla de la placa **SOS/OK** o el triángulo reflectante rojo.

**PROCEDIMIENTO DE SEGURIDAD EN CASO DE ACCIDENTE**

53.3.5 Si por cualquier motivo no fuera posible mostrar el cartel **OK** / **SOS** en cualquiera de las situaciones anteriores, esto puede ser reemplazado por un lenguaje de señas mostrado por los miembros del equipo claramente visibles fuera del vehículo:

- Un brazo y pulgar hacia arriba para indicar **OK**.
- Brazos cruzados sobre la cabeza para indicar **SOS**.

53.3.6 El comportamiento de los participantes que siendo posible para ellos no cumplan con las reglas anteriores, será comunicado por el Director de Carrera a los Co-misarios Deportivos.

53.3.7 El Libro de Ruta deberá contener una página que indique el procedimiento a seguir en caso de accidente.

53.3.8 El equipo que se retire del rallye debe informar dicha retirada a los organizadores lo antes posible, salvo en caso de fuerza mayor. El incumplimiento de esta norma estará sujeta a una penalización a criterio de los Comisarios Deportivos.

**53.4 ACCIDENTE EN UN TRAMO CRONOMETRADO QUE INVOLUCRA A UNA PERSONA QUE NO ES MIEMBRO DE UN EQUIPO**

Si un equipo está involucrado en un accidente en el que una persona del público sufre lesiones físicas, el vehículo debe detenerse de inmediato y debe seguirse el mismo procedimiento que se aplica cuando es un miembro del equipo el que necesita atención médica urgente según lo establecido en el Artículo 53.3.1

El número de teléfono en caso de emergencia es: **681 632 624**

**SOLICITUD DE NUEVA SALIDA**

Esta ficha debe ser entregada en mano al Comisario de Relación con los Concursan-tes, al Director de Carrera o a su representante en la Secretaría del Rallye

Equipo participante con el N°

Att Director de Carrera

Concursante.....Licencia N°.....

## ANOTACIONES

This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There is a solid black vertical line along the left edge, suggesting it might be part of a notebook or binder. The paper is otherwise blank, with no text or other markings.

|                                                                                    |         |                                                                                                             |  |                                                                                  |                                                                                                                                                                                                                                                                                                                                             |  |           |            |          |        |

ANOTACIONES

Handwriting practice area with 20 horizontal dashed lines.

**ITINERARIO ALTERNATIVO-2 TC 3-5  
COLL DE MEROLLA**

The map displays the Ripoll region in Catalonia, Spain, with various towns and geographical features. A red line highlights the TC-3 Coll de Merolla, and a green line outlines the Reagrupamiento 1 area. The map includes labels for towns such as Berga, Gironella, and Ripoll, as well as rivers like the Riera de Merolla and Riera de Llobregat. A red circle with a white '1' is placed near the Coll de Merolla, and a green circle with a white '1' is placed near the Reagrupamiento 1 area.

The map displays the Coll de Merolla area in Catalonia, Spain. A red line indicates the TC-5 road, which runs through the Coll de Merolla. A green box highlights the location of Parque Asistencia 2, situated near the town of Gombren. The map also shows various other towns and geographical features, including the Serra de Merolla and the Serra de Picancel. A red circle with a white exclamation mark is placed on the TC-5 road near the town of Gombren.

## ANOTACIONES

This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There is no handwriting or other markings on the paper.
